After being out of print for decades, *Possum Living: How to Live Well Without a Job and (Almost) No Money* is being reissued with an afterword by an older and wiser Dolly Freed. In the late seventies, at the age of eighteen and with a seventh-grade education, Dolly Freed wrote *Possum Living* about the five years she and her father lived off the land on a half-acre lot outside of Philadelphia. At the time of its publication in 1978, *Possum Living* became an instant classic, known for its plucky narration and no-nonsense practical advice on how to quit the rat race and live frugally. In her delightful, straightforward, and irreverent style, Freed guides readers on how to buy and maintain a home, dress well, cope with the law, stay healthy, save money, and be lazy, proud, miserly, and honest, all while enjoying leisure and keeping up a middle-class façade. Thirty years later, Freed's philosophy is world-renowned and *Possum Living* remains as fascinating, inspirational, and pertinent as it was upon its original publication. This updated edition includes new reflections, insights, and life lessons from an older and wiser Dolly Freed, whose knowledge of how to live like a possum has given her financial security and the confidence to try new ventures.

Jones' first book, *Who Told You ... You Were Broke*, encourages readers to "start speaking life into what appears to be a dead situation." He says, "The title is a play on what God said to Adam when He asked him, 'Who told you you were naked?' Most people are fine until somebody else points out that they don't have something but it's not about what's in your bank account, it's what's in your heart. Even if your bank account has nothing in it, your heart has millions."
